

Opportunities from Lifestyle Income Strategies

WHO WE ARE

Collins Asset Group LLC, was founded by Walt Collins in 2011, and is engaged in the consumer and commercial accounts receivables management industry. The Collins management team has more than ninety years of combined industry leadership experience and Collins leverages this experience and the science of analytics to access and liquidate portfolios and accounts.

STRATEGY

This is a four-year opportunity that provides a fixed annual interest rate of nine percent of funds committed under a Dependent Agreement.

EXAMPLE

This example on a \$100,000 Dependent Agreement corresponding to this business listing would be allocated as Principal in the amount of \$100,000. The distributions due to the corresponding Dependent Agreement under such an allocation would be: \$100,000 + 36% = \$136,000 on the maturity term of the business listing.

FOUR-YEAR FIXED

FEATURES

- ✦ Uncorrelated to Stock Market
- ✦ Disciplined Approach
- ✦ Asset Backed and Collateralized
- ✦ Active Management and Monitoring
- ✦ Active Risk Management Factors

HIGHLIGHTS

- ✦ FIXED 9%
- ✦ May Protect Against Volatility in the Stock or Bond Markets
- ✦ \$20k minimum

AT A GLANCE
